

2025 Health and Lifestyle Spending Account Limits

The new year will be here before you know it. Don't forget, before January 1, you should review and update your employees' Health Spending Account (HSA) and Lifestyle Spending Account (LSA) limits for next year. This is done through *Update HSA Limits* and *Update LSA Limits* in the left-side menu on my-benefits.ca. If you don't enter new limits for next year, your employees will simply maintain their current annual limits.

Update HSA Limits

HEALTH SPENDING ACCOUNT (HSA)

Please update the HSA limit for each employee as necessary. CANADA REVENUE AGENCY GUIDELINES REQUIRE THAT LIMITS BE SET BEFORE THE START OF EVERY CALENDAR YEAR. IN CERTAIN CASES, SUCH AS LIFE EVENTS AND EMPLOYMENT CLASS CHANGES, MODIFICATIONS TO LIMITS CAN OCCUR THROUGHOUT THE YEAR. WE RECOMMEND THAT YOU CONSULT YOUR ACCOUNTANT BEFORE MAKING ANY MID-YEAR CHANGES TO AN EMPLOYEE'S LIMIT.
