

Business Assistance Services (BAS)

The Support

Your Arcora business supports are designed to help your business thrive by giving you access to expert resources and professionals who understand the challenges you face.

The Specifics

For you

As a plan administrator or business owner, you have access to:

- HR guidance
- Financial guidance
- Legal guidance
- A digital business library filled with carefully curated resources to help you manage your business
- Digital promotional materials

For your staff

All staff (including you!) have access to:

- Manager-referred counselling*

The Steps

1 Reach out.

Get in touch with Arcora by completing our [online form](#) or calling [1-877-412-7483](tel:1-877-412-7483).

2 Share.

Tell us about your concerns and we'll match you with the professional in our network best suited to meet your needs and most likely to produce a successful outcome.

3 Book a session.

The professional you've been matched with will reach out to book your first session.

* Employees must be referred by their employer. Plan administrators and business owners can refer themselves.
